

# HOW TO SET UP A FACEBOOK FUNDRAISER.

**1** Log into your fundraising page.  
**CLICK HERE** or scan the code on the right to log In.

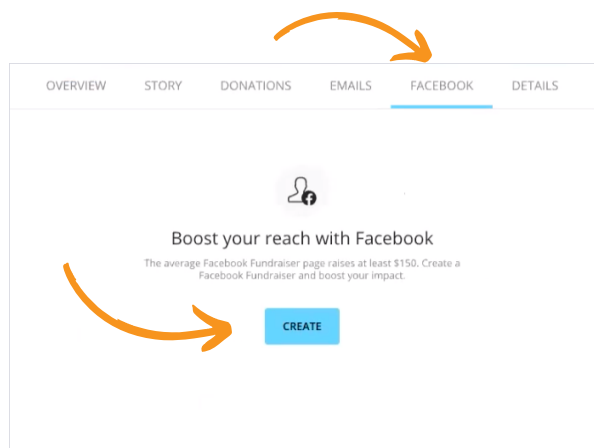

**2** In the header, select **Manage**.

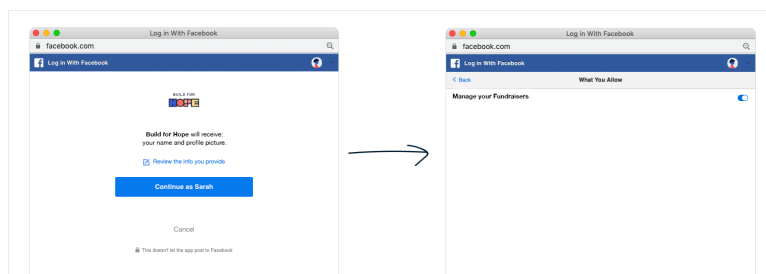

**3** Select the **Facebook** tab, then select **Create**.

**Tip:** If you use Safari as your web browser, you may see an endless processing screen. To fix this, go to your address bar and look for a blocked pop-up notification. Select it and allow the pop-up to display to create your Fundraising page.

**4** When the Facebook login prompt appears, log in if you haven't already.

Make sure you allow Manage your Fundraisers (slide the toggle on)

Once you complete these steps, your Facebook fundraising page will be created automatically and appear on your Facebook activity feed!
